**DO YOU WANT FLOWERS IN YOUR MARKER VASE?**

**FOR THOSE WHO PREFER TO PLACE FLOWERS THEMSELVES, WE HAVE A WIDE VARIETY OF SILK SEASONAL ARRANGEMENTS, AS WELL AS SILK ROSES AND CARNATIONS ON DISPLAY HERE AT OUR OFFICE. ALL ARE REASONABLY PRICED AND INCLUDE THE STYROFOAM VASE INSERT.**

**OR – DO YOU WISH TO TAKE ADVANTAGE OF TWIN VALLEY’S FLORAL ENDOWMENT SERVICE?**

Send us a check once a year (or every two years), and we will place floral arrangements of your choice on the grave of your loved one on any “SPECIAL DAY” you request.

All of the charges include record keeping, flowers, placing them in the marker vase, and handling charges. Silk flowers placed in the marker vase unit will remain until you change them, or request us to do so. Remember – vases are to be turned down in the winter (we will do this for you with the November Christmas wreath installation. There is NO charge if a wreath is purchased for installation at the same time.) Potted plants (available on certain days only) will be set on the grave, and then removed one week after the holiday. When we place live cut flowers, anything in the marker vase will be disposed of. When the live cuts are dead, they will be removed and the vase turned down.

May we suggest – early spring – after the March 1<sup>st</sup> cleanup, Memorial Day, and again in the early fall? Other popular days are Easter, Mother’s Day, Memorial Day, Father’s Day, Birthday or Anniversary. **Christmas wreaths are available for Christmas and are ordered separately – you will receive information on availability in October.** If you wish you may place your order for either one or two years. Longer periods of time may be specially arranged with the office. LONG TERM ENDOWMENTS ARE AVAILABLE – SEE BACK.
